

The NEW HI FI racking system from Slate Age is here.

New from Slate Age, a flat pack Hi-Fi or AV racking system. This simple and creative design allows the user to assemble with ease.

The product is supplied with adjustable spiked legs, these are held in place with a 12mm stainless steel bolt.

Made from solid British and Italian slate and precision stainless steel feet, your very own Hi-Fi or AV rack can be tailored to your needs.

This is Solid Audio
